If you have not received a letter you are already registered on the system. Please take the time to log into your account and ensure that all contact information (mobile numbers and e-mail addresses) are accurate and up to date.

If you have any queries please visit the school office.

Read, Write Inc Curriculum Evening

We will be holding a Read Write Inc curriculum evening on Wednesday 15th October from 3:15pm to 4:15pm. This is on the same day as Parents evening. We would like to invite all parents of children in FU, KS1 and year 3 to join us. This is your opportunity to find out more about our new phonics programme.

Bangers Banquet!

On Thursday 2nd October we will be having a bangers banquet! This will replace the usual menu on that day. Jacket potato with beans or cheese will also be available on that day.

Spare wellies?

Our Foundation Unit needs more wellies! If you have any at home in sizes 9, 10, 11, 12 or 13 that you no longer need/want we would be very grateful if you could bring them in. Thank you.

We also need larger sizes to enable our older children to access the outdoor environment whatever the weather.

Proclamation of the Fayre

Next week, on the 2nd October, Sharratt class will be representing us by attending the annual Proclamation of the fayre. They will walk into town for 10.30am and will be back in time for lunch.

Calling Year 3 Parents!

Please can all year 3 children (Browne class) bring a large cardboard box and a full roll of toilet paper to use for their topic. They will need these on Monday 29th September. Thank you.

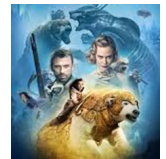

Odd socks

Please could Nurture Group have any unwanted/odd socks to make puppets. Thank you.

Attendance Bunny

This week we have two winners, Browne & Pullman with 98.75%! Bob hopping between their classroom this week, Well done!

Morpurgo (Year 5) and Sharratt (Years 1/2) Classes have been taking part in 'Buddy Reading'. The children pair up with children from the opposite class and have been sharing their favourite stories with each other.

Message from the Head of School

We are all learners, whether children or adults, and this week all staff had their second training day on Read Write Inc. This is our new phonics programme that also covers reading and writing in KS1 as well as supporting older children who have some gaps in their learning.

We have started the programme with all children in reception. Year 1, 2 and 3 and selected children in higher year groups. The children are responding extremely well already to the programme and we would like to share it with parents so that you can see what it is all about.

We would like to offer a curriculum evening as part of our parents evening where you get to see what all the fuss is about!

In the meantime, please ask your child's class teacher if you have any queries.
