

PE/ Sports Premium Spending at Wilcombe Primary 2014-2015

Our aims:

- To ensure quality PE curriculum for all children.
- To inspire children to 'Try Something New' to try and appeal to a wide range of interests and encourage activity of many kinds.
- To make links with local facilities to encourage children to partake of healthy activities outside of school.

Action	Cost	Intended impact	Actual Impact	Running Total
				£8855
PE specialist HLTA covering KS2 classes once a week delivering PE; planning the PE curriculum; supporting PE in EYFS and KS1, (Autumn Term)	£3571	Quality PE across the school	Children report better PE. Fitness increased greatly with the introduction of running as a block of PE. Wilcombe came 4 th in the Wilcombe Wobbler. Our highest ranking yet.	£5284
Swimming training for HLTA to enable them to teach swimming. (Autumn Term)	£295	Swimming taught to an acceptable level	This year we have entered our children into a TLC swimming gala to take place on 11.6.15.	£4989
Exeter City Football Club providing a 6 week block of basketball lessons to KS2 and an after school club. School staff to run the sessions alongside the coaches to gain knowledge and understanding. (Autumn term)	£975	School staff learn how to teach basketball. Children learn another skill. The basketball courts at Sunningmead are utilised more.	Questionnaires to pupils report a greater use of the basketball courts in Sunningmead during their free time.	£4014
Exeter City Football club provide 6 week block of multi-skills as above . (Spring term.)	£720	School staff learn how to teach basic sport skills that can be transferred into other areas of sport. Children learn another skill.	Teachers have been using the skills they learned in these sessions in their own PE lessons.	£3294
2 x minibuses to transport children to KS1 multiskill	£100	Sport in the Community	Children get to experience sport with members of the	£3194

festivals. (Spring Term)			local community.	
Exeter City provide a 6 week block of cricket for KS2 including an after school club. (Summer Term)	£990	School staff learn how to teach cricket. Children learn another skill.	Children have been able to choose cricket as a lunchtime play option.	£2104
12 climbing lessons for year 6 including working towards climbing qualifications	£1219	Year 6 children leave primary school with a National Indoor Climbing Award Scheme level 1. This will enable them to climb in any indoor climbing centre and hopefully provide them with a means to a valuable hobby in the future.	As well as children achieving certificates they have learned to conquer their fears leading to increased confidence.	£885
Registration fee Minibus hire Team t shirts for Exmoor Challenge	£182	All of year 6 take part in practice walks that teach them about resilience, orienteering and map reading whilst providing the mental wellbeing that being outside can give and teaching them how to be part of a team. The final competitors gain the sense of achievement that walking 16 miles unaccompanied can give.	Again- linked perhaps to the running in the Spring Term, or our focus on raising resilience and trying new things; this year we had the best walkers ever. They worked as a team, walked with cheerfulness and determination and were a real credit to themselves and the school.	£703
Minibus hires to transport team to Tag Rugby tournament organised by the Devon and Cornwall Constabulary.	£50	A team of upper KS2 took part in an interschool tournament.	Our team were commended for their sportsmanship and team spirit.	£643
General PE equipment replacement / top up.	£400	To keep stocks attractive and usable		£243
Outdoor equipment for KS 1 and EYFS to encourage the development of gross motor skills.	£200	Spades for digging/ bats and balls/ scooters/ skipping ropes/ hoops etc	KS1 children now have a wealth of equipment to select from at playtime.	£43
