

CAYLA'S FIGHT AGAINST NEUROBLASTOMA

Dear Parents/Carers,

As many of you will be aware, Cayla is a little girl from Cullompton who, at the age of 4, was diagnosed with a rare and aggressive form of cancer, Neuroblastoma. Cayla has endured months of treatment and is now in remission. However, there is a 50% chance that her cancer will return. In America there is a treatment that Cayla is eligible to receive which will drastically reduce the chance of this happening. This needs funding of £200,000. The team have already raised £155,000 and are hopeful that they can reach the target soon.

As part of fundraising ideas, we are making a Cayla's Fight 2020 calendar. The calendar will feature a picture for each month, designed by local school children. Entries will be collated and judged by a panel who will decide the 12 winning pictures to make the calendar. We are hoping that local businesses will sponsor each month.

If you would like to enter, please use the attached entry form ensuring that you complete all parts. You can be as creative as you like and can make your calendar picture specific for a particular month or not i.e. Halloween in October, Valentines in February. Please use felt tip pens or dark colouring pencils. Unfortunately, we cannot accept entries that have details stuck to them.

When your entry is completed, please return to your school with the £1 entry fee, which will be donated to Cayla's Fight. All entries must be received by Friday 4th October.

Winners will be announced on the Cayla's Fight Facebook page and entries will be on display at the Cullompton Food and Drink Festival in October. Winners will receive a copy of the Cayla's Fight Calendar.

Good luck

Cayla's Fight Fundraising Team
