

# **Wilcombe Primary School - Sports Funding Report**

## **Summary of funding for 17/18 Academic Year and Plan for 2018 - 19**

### **Swimming**

The funding has enabled every child in years 3 and 4 to go swimming as well as the non-swimmers in years 5 and 6. We have been able to pay for a member of staff to gain a higher level of swimming qualification.

### **Transport**

The money has helped part- finance buses. We are able to attend all the sports events without having to rely on parents. A lack of funding for transport could mean not being able to take part.

### **Wider Opportunities/Collaborative Partnerships**

The funding helped us work with Tiverton High school, access the Ventrus Trusts activities as well as work closely with St Luke's School and Exeter Arena.

### **CPD**

The funding has helped pay for teachers and HLTAs to further their knowledge through CPD that has been delivered by the PE Lead, who attended a REAL PE conference. There has also been CPD for the PE Lead from the St Luke's partnership.

### **Resources**

We have bought new equipment to give the children a better PE experience as well as install a new running track on the school field.

## Increased Participation

The funding has also helped us improve our participation. Our numbers have slowly grown over the last few years and we are looking to improve further this year.
