

Wilcombe Primary School - Sports Funding Report

Summary of funding for 2018-19 Academic Year and Plan for 2019 – 20

Swimming

The funding has enabled every child in years 3, 4 and 5 to go swimming as well as the non-swimmers in year 6.

Transport

The money has helped part- finance buses. We are able to attend all the sports events without having to rely on parents. A lack of funding for transport could mean not being able to take part.

Wider Opportunities/Collaborative Partnerships

The funding helped us work with Tiverton High school, access the Ventrus Trusts activities as well as work closely with St Luke's School and the Exeter arena.

CPD

The funding has helped pay for teachers and HLTAs to further their knowledge through CPD that has been delivered by the PE Lead, who attended a REAL PE conference. There has also been CPD for staff led by specialists.

Resources

We have bought new equipment to give the children a better PE experience as well as install a new running track on the school field.

WILCOMBE PRIMARY SCHOOL

ACTION PLAN 2019 – 2020

Wilcombe Primary school has participated in some local activities with the trust and learning partnership. *This was far less than usual due to Covid 19*

Through the Local Learning Community and across the Primary Academies Trust, we participate in a range of collaborative activities including:

- Swimming (All children in year 3 and 4)
 - Tournaments – Tag rugby, athletics, SEN curling, netball
 - Football at Tiverton High School
 - Learning community led activities - multi skills.
